Locals knew Aspen was through

when silk shirts plunged
to gold chains.

1st, Saul Gaul, Producer.
"I'm ambassador to these dumb

cowboys & their silly whores:
They never seen a Jew before!

On my chest ain’t hair, it's fur!
I'm a wolf who’ll eat any fuckin
thing, or -body. Grrrrr!”

He made smaller noises at film festivals
before becoming terminally purple one
night in, arguably, the seediest room in

Vegas. 2d, Armando, who broke hearts.
A club formed of his victims & they met
at Caribou weekly to pick the slime off.

3rd, Kurt, a mail carrier from Amsterdam
whose hairless, milky skin whited out
the Mediterranean look, & who blew

his life savings
&, in a snowbank,
Armando.
